

Currency Exchange Service in Pekao24 and PeoPay

Operating Instructions

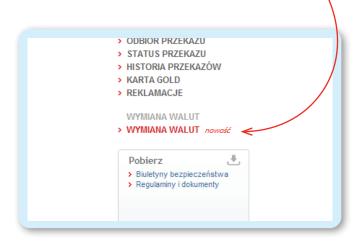

Basic information on the service

- The Currency Exchange Service in Pekao24 is available to selected customers who have accounts in at least two currencies in Bank Pekao.
- Transfers made under the Currency Exchange Service can be effected only between accounts maintained in the Bank on behalf of the same customer.
- Each Bank's offer of preferred currency exchange rate for the internal transfer indicated by the customer is valid for 30 seconds from the moment it was retrieved by the customer under the Currency Exchange Service.
- Transaction Approval means its immediate execution without a possibility to cancel it or modify.
